

# 1960 PRICE LIST

## Boars Greenhouse

BUNKER HILL, INDIANA

### CONDITIONS OF SALES

#### PLEASE READ BEFORE ORDERING

This price list includes both young healthy 2" plants and cuttings with plants. Stock varies at times due to demand for certain varieties. Please list one or more substitutes in each class. If you do not list substitutes we reserve the right to substitute (if necessary) or you may request holding of order until ready. Minimum order \$3.50. Postage Extra. We select the best stock available at time of shipment. (Our stock is state inspected).

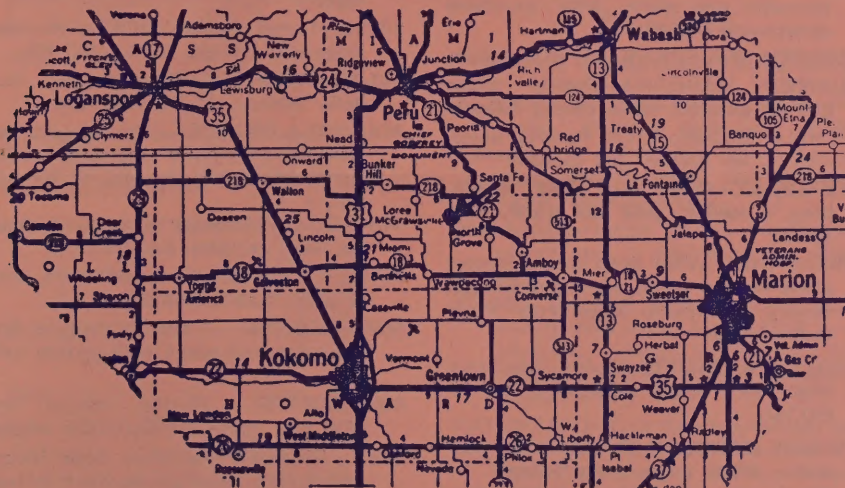

**ORDERS**—Are sent Parcel Post, special handling for this, and packing costs charges are \$1.00 for special delivery add .25c or \$1.25 for each order. If this is omitted we will send the best way at your expense. For Air Delivery add .80c for each \$1.00 sent for order, if more than required we will refund, underpayment will be billed. Instructions given above are for plant shipments. Supplies are listed with shipping prices. When these shipping prices are in excess of costs we will refund amount over cost of pack-

ing and shipment. Small amounts by Credit slip or stamps.

**NOTE**—This year we will check mailing lists of those receiving lists for several years but have not ordered, these names will be dropped. If list is still desired send 10c for the following list and you will continue to receive it.

**NOTE**—For those who buy at the greenhouse, please sign register again or send a postal card stating that you wish to remain on mailing list, we do not want to drop anyone who is our customer, but we cannot check all customers accurately. Mailing costs are high, therefore we want to send lists only to those who intend to use them and are interested.

**NOTE**—A short fall list of all new plants ready since last list was printed will be sent to those sending 10c and requesting it. Or free to those requesting it at greenhouse. This list will not be sent to entire mailing list. On first order those sending 10c for fall list, may deduct the amount from order sent in, or when presented at greenhouse.

**LOCATION**—See map, arrow points to McGrawsville. We are located 1/2

mile South and first house West. Phone EXport 5-7696.

Terms of sale is Cash with order—for your protection send Check or Money Order. We do not send orders C.O.D. Cash must accompany all orders. We pack carefully but if plants arrive damaged, due to rough handling enroute, we cannot be responsible, you

must make Claim at your Postoffice. The Postoffice allows no claims on frozen plants therefore all orders received before shipment can be safely sent out, will be booked until weather conditions are right, generally the first part of April.
